Dear Sir:

Mr. Helio Lobo, Brazilian Consul General,  
has advised us to write to you concerning an Allied  
Victory Medal.

Our Museum has undoubtedly the finest  
collection of war medals and decorations in the  
world, and we are constantly gathering material.  
Is it possible for us to get a specimen of the medal  
issued by Brazil for the World War? We would  
appreciate any help that you may be able to give us.

Very truly yours,

Curator.
